VA. MANGANESE MINES SET RECORD IN 1955

(Continued from Page One)

average grade of ore mined in 1955 contained 43.5 per cent manganese. Ore shipped to the GSA stockpiles brought the producer an average price of $36.00 per gross ton.

The record production in 1955 compared with 20,240 long tons mined in 1954, which was then the second largest year in the history of the manganese mining industry in Virginia, being exceeded only by a few hundred tons in 1886 when a steel companny mined the old Crimora mine in Agusta county.

Notwithstanding the record tonnage produced in 1955, a series of conditions reduced the amount over what had been anticipated. A chief factor was the necessity of constructing properly engineered settling basins designed to prevent stream pollution.

Director Long expressed gratification at this record production and especially at the prediction of Massie that production in 1956 will exceed 1955. Long said Massie was employed by the Conservation Department to advise and assist land owners and producers in the marketing and mining of Virginia minerals. Manganese was selected as the first step in this program, Long said, because of the high importance of the ore to national security.

Massie reported that a continued effort is being made to have the Federal government establish a purchasing depot in Virginia for low grade manganese ores, similar to those in Montana, New Mexico, Arizona, and Texas. Such a depot in Virginia, Massie said, will greatly increase manganese mining in Virginia. A bill to establish such depots in Virginia and other States passed Congress in 1955, but was vetoed by the president. A similar bill has been introduced in the present Congress.

January car output is estimated at 650,000 units.

The Bureau of Labor Statistics reported a dorp of 3 per cent in the consumer price index between mid-November and mid-December, the first decline since last August.

RESOLUTION

Whereas on December 7th, 1955 our Heavenly Father called from our midst to his Eternal reward our Brother and friend, J. Holmsey Martin; and

Whereas for more than a half century he was a loyal and faithful member of the Official Board of Memorial Methodist Church at Appomattox, Va.; and

Whereas during his long life of faithfulness he so conducted himself as to win the esteem and respect of all who knew him;

THEREFORE BE IT RESOLVED BY THE OFFICIAL BOARD OF MEMORIAL METHODIST CHURCH

First—That we record our appreciation for the privilege of working with this faithful steward, and that we bow in humble submission to the will of Him, who doeth all things well;

Second— That we extend to his grief-stricken family our heart felt sympathy, and commend them to Him, who is the source of all comfort and strength in the hour of sorrow;

Third —That a copy of these resolutions be published in the Times-Virginian, a copy sent to the family, and a copy spread upon the minutes of this Board.

IN MEMORIAM

In memory of our mother and wife, Mrs. Raymond Martin, who departed this life one year ago tonight, February 9, 1955.

One year ago tonight
God took from us a light
That had guided us for years
Through joys and through tears.

We did not want to let her go,
So many things we could not know.
We knew our need for her was great
But God is too wise to make a mistake.

Surely tonight there is on high
An added member o:p the Heavenly choir.
We will not doubt or ever despair
Only hope some day to meet up there.

—Sadly missed by husband, children and grandchildren.

IN MEMORY
In sad but loving remembrance of my mother, Elva W. Baldwin, who died Feb. 2, 1933.

I often sit and think of you,
When I am all alone.
The memory is the only friend,
That grief can call its own.

I shall never forget your smile,
Your sweet and loving ways.
The love you carved upon my heart
Shall never, never fade.
